APPROVED FIREARMS ROSTER 03-2008

This Roster Supersedes All Previous Rosters

This roster has been compiled in accordance with M.G.L. c.140; §131¾ and 501 CMR 7.00. It contains weapons determined by Massachusetts approved independent testing laboratories to have satisfactorily completed the testing requirements of M.G.L. c. 140; §123; clauses 18th; 19th; 20th; and 21st. The reports resulting from said tests were reviewed by the Gun Control Advisory Board and those makes and models listed herein were subsequently approved by the Executive Office of Public Safety as having complied with the statutory handgun testing provisions of M.G.L. c. 140; §123.

Modifications to this roster are likely to occur periodically, and licensees and law enforcement personnel should always utilize the most recent roster for purposes of determining statutory compliance. The Approved Firearms Roster posted on the website of the Executive Office of Public Safety (www.mass.gov/EOPS) will contain the most recently approved models.

Massachusetts licensed firearms dealers should note that the transfers of handguns are also subject to the Attorney General's Handgun Sales Regulations, 940 CMR 16.00, et seq. Firearms on this Approved Firearms Roster do not necessarily comply with the requirements of the Attorney General's Handgun Sales Regulations. Information about those regulations, as well as the Enforcement Notice may be obtained from the Office of the Attorney General and may be accessed on the website of the Attorney General (www.ago.state.ma.us).”
